

## **Property Stewardship Team Leader Volunteer Position**

**Title:** Stewardship Team Leader

**Purpose:**

We are looking to establish a team for each property which will consist of a Team Leader and a number of members. Teams will visit their assigned property at least once a month and additional work days will be convened as needed. Team Leaders will stay in communication with the Stewardship Coordinator on a regular basis, notifying the Stewardship Coordinator of any urgent matters immediately. No special skills are required, and any necessary training will be provided.

**Key Responsibilities:**

- Organizes and participates in property monitoring visits with property team
- Completes post-visit reports when necessary
- Assists as needed with remedial work
- Supervises Property Team members
- Maintains and updates the observation records for their property including attending an annual meeting for training and reviewing
- Passes along any ideas for new projects or tasks for the property to the Stewardship Coordinator

**Reports to:** Lyndsay Shular, Stewardship Coordinator

**Length of position:** Six months is required.

**Expected time commitment:** April-November, 5 hrs/month minimum.

**Qualifications:**

- Valid class G2 Ontario driver's license and access to car
- Computer, Internet access and email preferred
- Good organizational skills

**Training:**

- LPBLT will provide support and training throughout your term
- Must adhere to Species at Risk regulations including confidentiality, training will be provided
- Training in the use of small hand tools and equipment will be provided

**To Participate:**

- Contact Lyndsay Shular, email ([steward@longpointlandtrust.ca](mailto:steward@longpointlandtrust.ca)) or phone (519-420-9913)
- Provide your full contact information (name, address, email, phone number) and the nature reserve you are interested in stewarding

**Nature Reserves:**

Arthur Langford Nature Reserve - Frogmore

Delhi Wetland Nature Reserve – Delhi

Jackson-Gunn Old Growth Forest – East of Port Burwell

Shirley and George Pond Nature Reserve – Turkey Point

Strongman-Guiler Conservation Legacy – Fishers Glen
