

Publication order form

Conserving Carolinian Reptiles

Conserving Carolinian Reptiles is a profusely illustrated handbook with over 150 colour photographs. This 60-page publication is an excellent identification guide to all Ontario turtles, snakes and skinks, and includes additional information about reptile biology, the Carolinian Region and conservation.

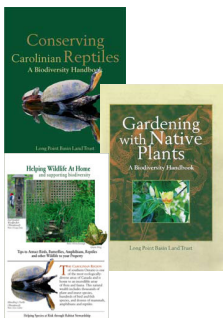

- Single copy: \$14
- Five copies: \$48

Gardening with native plants

Gardening with Native Plants is packed with over 60 colour photographs and introduces the reader to the benefits of native plant gardening. This 24-page handbook focuses on the Carolinian Region and provides tips to attract butterflies and birds. A listing of 150 garden plants and trees is included, along with a sample garden plan.

- Single copy: \$8
- Five copies: \$25
