Your Financial Know-how Can Help Protect Nature

Treasurer, Board of Directors (Volunteer Position)

Every nature reserve protected relies on responsible financial stewardship.

The Long Point Basin Land Trust (LPBLT) is seeking a Treasurer to join our volunteer Board of Directors and help guide the future of an organization dedicated to protecting the biodiversity and natural habitats of the Long Point Basin.

LPBLT is a charitable non-profit organization that was incorporated 30 years ago and now protects more than 1,400 acres across 20 nature reserves in the Long Point Basin. As Treasurer, you'll help ensure the organization remains financially strong so its work can continue for generations to come.

What Does the Treasurer Do?

The Treasurer provides financial oversight and strategic guidance to the Board.

This is not a bookkeeping role. LPBLT has a part-time Finance Manager who handles day-to-day bookkeeping and financial reporting. The Treasurer works alongside staff, the Finance Committee, fellow Board members, and professional advisors.

Key responsibilities include:

- Chairing the Finance Committee
- Reviewing financial reports and budgets
- Monitoring financial performance and risk
- Oversight of reserve funds and investments
- Helping the Board make informed financial decisions

Who We're Looking For

We need a team player with financial management experience and confidence interpreting financial statements. That person might be a financial professional, accountant, business owner, or retiree with financial management know-how.

Nonprofit experience is welcome but not required.

We're looking for someone who:

- Exercises sound financial judgement
- Cares about protecting nature

- Enjoys working collaboratively

Time Commitment

Approximately 4-6 hours per month, including quarterly Board meetings of the Finance Committee and Board of Directors. Participation can be in person, virtual, or hybrid.

Interested?

Our current Treasurer will support a smooth transition, and you'll be backed by experienced staff and a dedicated Finance Committee.

If you'd like to learn more, we'd be happy to have an informal conversation. To express interest, please email admin@longpointlandtrust.ca.

Know someone who may be a good fit? Please make them aware of this opportunity to use their skills to help protect nature.
